

The Head of State

CONSIDERING the dire situation faced by international institutions considering the challenges and conflicts of the past century;

CONDEMNING the actions of the European Commission and other bodies affiliated with the European Union, which, in Our view, are driving the world towards total war;

IN OPPOSITION to all dogmas and paradigms of the Western and globalized world, which have brought nothing but destruction, conflict, and uncertainty for the future across every part of the globe;

ASPRIRING to the freedom of all people, without distinction of sex, race, language, religion, personal and social conditions, or sexual orientation;

LOUDLY DEMANDING world peace and the self-determination of all peoples;

REMEMBERING AND NOT BEING ASHAMED OF OUR HISTORY;

DECLARES

the foundation of the State of Cesia, that is, its full autonomy and independence from any other state or subject of international law. The drafting of a fundamental law of the State of Cesia is entrusted to the Head of State, who shall exercise exclusive power in the name of the people until the Constitution enters into force.

This declaration shall be included in the Official Collection of Legislative Acts of the State of Cesia. It is mandatory for all those to whom it pertains to observe it and ensure its observance.

Given on the 19th of June, 2025.
